Funding for the cemetery software will be appropriated from Evergreen Sale of Lots and transferred to the cemetery expense article account for the new fiscal year. Motion made and seconded to purchase the software needed to update the paper records into a computer database. Voted 3-0-0

Director's Report

>The field lights at Jones Park are now in working and ready for use in the fall.

>The playground surfacing has been completed at Russell Mills Landing. Motha's Park needs one more load. DRPT and Cornell Pond will require an additional \$17,000 on top of the remaining \$20,000 to complete. An article will be submitted to CIP for the extra funding.

>The lacrosse league utilized the field at Jones Park this past spring. The field area was possibly going to be turned into youth field hockey/lacrosse field from the current softball set-up, but only one field will end up fitting in the space. The softball field will remain so the area will accommodate multi-use sports.
