MOU for Allen Street Garage

The Board received a draft of the Memorandum of Understanding created by the Department of Public Works for the Allen Street garage. The Board is not in agreement with moving into the building under a term agreement of only ten years as well as other smaller issues. The garage is town property and should not be on loan for a designated number of years. In the event another water tower is needed in this location, the MOU should state that the town will provide a suitable location for the park department to relocate. Motion made and seconded to not accept the current MOU draft as written. Voted 3-0-0

Motion made and seconded to adjourn at 10:35 A.M. Voted 3-0-0
