7:15 p.m. Hixville Road/Elliot Street- Safety Officer Vieira gave the Board an update from the Planning Board Meeting. The Planning Board decided against cutting the trees at the intersection of Hixville Road and Elliot Street. The residents are urged to report any type of accident, no matter how small, in that area in order to have it on record so the data can be recollected and reanalyzed then it may meet the threshold for a stop sign in the future. Selectman Shawn McDonald informed the Board about a solar Dvice that will be used for roadway surfaces and it will offer flashers that can be used to signal drivers that there is a curve or a crosswalk approaching.

The Board also addressed the following topics:

Selectman Shawn McDonald also informed the Board and the Safety Officer Vieira Chief Lee that there are people soliciting in his area and they were very pushy for credit card and financial information. The name of the company is Intergrated Pest Control. The Chief will do some research on the company and see if they have a permit to go door to door.

A Board member received a call from a resident about the 4 way stop signs at the intersection of Dartmouth Street and Rockland Street. The trees are overgrown and the signs are not completely visible. This will be passed on to the Board of Public Works.

A Board member received a call regarding the long grass at the intersection of Slocum Road and Allen Street. This will be passed on to the Board of Public Works.
