The Chief's investigation uncovered numerous arrests including that of the owners in regards to assaulting patrons and underage drinking. The Chief investigated another sports bar that they own and discovered that there is a lot of negative activity occurring at that location. The IRS is also investigating the owners at this time as well; the non-approval was based on this information.

#### 6:40pm- Re-appointment for the Zoning Board of Appeals

Town Counsel's response letter in regards to the timeline on the appointments for the Zoning Board of Appeals was read into the record. Mr. Savastano stated that it was acceptable to extend appointments by six months to coincide with the appointments of other committees. The extension does not go against the By-laws and it would be correcting a mistake.

The Zoning Board was asked if they would mind combining with other groups to help the Town financially. The Members stated that they were supportive as long as they knew who they were combining with and that it wasn't a legality issue. The Board also requested that they be given a six month notice prior to the time their terms are expiring.

*After a motion was made by Vice-Chairwoman Lara Stone and seconded by Selectman Shawn McDonald, it was voted unanimously to correct the appointment process for the Zoning Board of Appeals making it a May appointment for all members based on their term expirations.
