How are the three accounts managed?

1) Gift account – donations – current balance approximately \$11,000. Can be used for anything the Youth Advocate recommends and Commission approves. This account should only be used for the Youth Advocate’s work.

2) Account budgeted through the town. Reimbursements to Youth Advocate require second signature.

3) Alvin Glaser Memorial Trust fund – investment account – used only for families in need - Greg Barnes makes decisions about financial management – confidential.

Budget approved – motion by Terri seconded by Dan

The Regular Meeting Minutes from June 8 were approved - Motion Jamie – seconded by Renee.

Gale and Jamie will represent the Commission in the interviews for the new Youth Advocate.

At 7:11, the Commission voted (roll call – all agreed) to go into Executive Session for the purposes of Personnel Discussion. The Commission will be returning to the regular meeting.

At 8:28 the Commission returned to regular session to brainstorm interview questions. The following list was generated by the Commission. In the next few days, members will review, send recommendation for edits to Jamie and the final list will be submitted to the Interview Committee
