

# Deep River Board of Fire Commissioners

57 Union Street • Deep River, CT 06417

Aug. 7, 2012

The Aug. 6, 2012 meeting of the Deep River Fire Commission began at 7:00 P.M. with Budney, Lee, Berardis, Spitzschuh, and Bowden in attendance. Fire Marshal Nolin was also present.

The July 2, 2012 minutes were reviewed. The minutes were accepted as written. Moved. By Budney, 2<sup>nd</sup>, Berardis. Unan.

Financial Statements for last budget year as well as the current budget year were reviewed. Mostly everything looked good and within budget.

A letter from All Waste was discussed. They had said they would not pick up the trash, due to non-payment, however, this has been corrected.

Other bills were normal.

Moved by Berardis, 2<sup>nd</sup>, Bowman. Unan.

The Chief reports part of Lords Lane is closed due to sewer and water main work. There is an alternate route in place while this work continues.

\$550,000.00 was approved for a new truck. There are two trucks, which the Department is considering. They both have "sister" trucks in the area. A crew will go to each of the Departments that have these trucks and ask if those Departments are satisfied with the performance of these vehicles and other questions about these trucks.

The Department will be receiving the old police Expedition, but there is no word on if they can keep the car also.

The Chief also said if anyone had an opportunity to go to the Fire Academy, it would be worth it. It's a great program (and serves excellent food.)

Deputy reports two more Junior's are going to the Fire Academy's advanced classes.

They received a Forestry grant for \$2,500.00.

There was no Engineer's report.

Fire Marshal submitted Activity Report, bills.

There were sixteen calls last month.

The Muster went well this year.

He also noted the Fire Boat had been very busy this year.

There was no Chairman's report.

There was no Other Business.

Under Old Business, there was a discussion a call from the Building Inspector concerning an expansion at Eve's Addiction and fire protection. He may need to determine if the building will need a sprinkler system when he reviews the plans.

The meeting adjourned at 7:30. Moved by Berardis, 2<sup>nd</sup> Bowden. Unan.

Respectfully Submitted,

  
Elizabeth Fitzsimmons,
