

Deep River Board of Fire Commissioners

57 Union Street • Deep River, CT 06417

June 3, 2014

The June 2, 2014 meeting of the Deep River Fire Commission began at 7:01 P.M. with Spitzschuh, Bowden, and Budney. Fire Marshal Nolin was also present. Lee and Lanouette, excused.

The minutes of May 5, 2014 were accepted as written. Moved by Budney, 2nd Bowden. Unan.

Financial Statements were reviewed. All lines look okay, but it is the end of the year. No money was spent on Waterholes. Work will commence later this month and continue into the next budget year. There will be no need for any roll over for this.

Budney asked Bowden if the deal on the trailer is still offered. Bowden said yes, and the Commission will decide which trailer they want.

A new computer was purchased for the Engineer. The old one crashed, and now they are trying to retrieve information from the old computer to load onto the new one.

There was no Chief's report.

Deputy reported 11 calls.

The Ladder truck went out for repairs. The radiator was fixed, but now it needed an alignment. This was all covered by the contract in which it was purchased.

There was no Engineer's report.

Fire Marshal submitted Activity Report, bills.

Piano Works has not changed their pump yet. The needed to purchase parts that are not in yet. He will keep the Department informed of when this will occur.

Deep River Plastics needs a back flow system installed. Budney asked if there were any areas the Department could not access if needed. Fire Marshal thought all could have access, but he would check and make sure.

There was no Chairman's report.

Under Other Business, Bowden inquired how OSHA was proceeding. There was a brief discussion, and everything seems to be moving along well.

There was no Other Business.

Meeting adjourned at 7:16. Moved by Budney. 2nd Lee. Unan.
