

Deep River Board of Fire Commissioners

57 Union Street • Deep River, CT 06417

July 3, 2018

The July 2, 2018 meeting of the Deep River Fire Commission began at 7:16 P.M. with Bowden, Lee, Budney, Fire Marshal Kerop also attended. David, absent. Dube, excused.

The minutes of the June 4, 2018 were reviewed and accepted with one correction: Valley Shore Communications received the grant.

Financial Statements were reviewed. They will see if water holes can be carried over. Otherwise, it looks good and within budget.

Chief reported he is working with the Design Advisory Board on the sign. The roof seems to be okay after the last repair was done. He will contact the vendor concerning the diesel exhaust and try to get a contract, so parts can be ordered.

Deputy reports he applied for the Forestry grant, and will follow up with a phone call to check on its status.

There was no Engineer's report.

The Fire Marshal submitted his Activity report and it was reviewed.

Chairman reported the Insurance is active, but does not know to what extent. He will ask the Agent to come to a meeting.

He spoke with the Selectman about grants. One person wanted \$1,500.00 for deposit, and Selectman was not really in favor of this at this time. The Commission would still like to work with Courtney's office on some grants also.

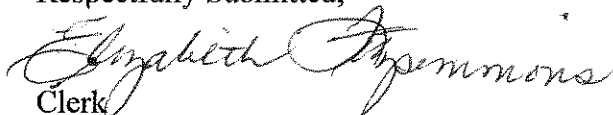

Selectman is still working with the Architect about the building. He will also continue to pursue Administrative help.

There was no Under Old Business.

There was no Other Business.

This meeting adjourned at 7:35. Moved by Budney, 2nd, Bowden. Unan.

Respectfully Submitted,

Clerk
