

Deep River Board of Fire Commissioners

57 Union Street • Deep River, CT 06417

Aug. 7, 2018

The AUGUST 6, 2018 meeting of the Deep River Fire Commission began at 7:03 P.M. with Bowden, Lee, Budney, and David in attendance. Dube, excused. Engineer Lee was also present.

The minutes of the July 2, 2018 were reviewed and accepted as written. Moved by Lee, 2nd, Budney. Unan.

Financial Statements were reviewed. The budget ended in a positive note. All other bills were normal.

Chief reported 17 calls.

There was a discussion on how John Olsen's funeral would be handled. He was a major contributor to the Fire Department, and his funeral will be Aug. 9th, at Valley Regional High School. The Commission will send flowers, and Budney will order them.

The parking lot at Headquarters has been repaired with the help of Haynes Materials, Nicholson Winthrop Construction, and JLL. Letters will go out to each donor.

The parts have been ordered for the exhaust, and a date for installation will be made when the parts come in.

The next breakfast will be 8/26/18.

Deputy asked after a report from VFIS was given for review, that a representative come and talk to the Commission, as well as Officers and representatives from the Town Hall.

There was no Engineer's report. However, he mentioned that Vehicle Maintenance is being worked on.

The Fire Marshal submitted his Activity report and it was reviewed.

Chairman handed out the VFIS reports.

The said he spoke with the Selectman, and there is money for an Architect for a new building. The commission asked to have the plans by the October 2018 meeting for review.

Any grants for apparatus needs to be in by September 1, 2018.

The quarterly Town report is late, and the Chairman thought an ad for Administrative assistant and recruits could still get included into the mailing. He will draw something up for release.

Chief reported he met with the Design Advisory Board concerning the bulletin board and it went well.
