Economic Development Commission

Tom Perry of the EDC attended the meeting to ask that the selectmen approve their request for informational / directional signs to be placed at the bottom of each of the exit ramps at exit 5. The signs would direct visitors to the town center, schools and the Winthrop area. Each sign would cost \$5000. There are several projects that are nearing completion. When those are complete, the status of the general fund will then be assessed and the signs will then be discussed.

The EDC has also been considering the hiring of a public relations representative to highlight various economic development issues on a quarterly basis.
