

BOARD OF SELECTMEN

RICHARD H. SMITH TOWN HALL

Special Meeting, April 2, 2019

Attendance: Selectmen Angus McDonald, Duane Gates, Bill Burdick, Jim Olson, Kim Olson, Tim Lee and Tom Lindner

Call to Order: This special meeting was called to order at 6:05 pm by McDonald.

McDonald discussed the statutory process and the Board's obligation of filling the vacancy on the Board of Selectmen created by the resignation of Bill Burdick. McDonald noted that Jim Olson had been recommended by the Republican Town Committee as per statutes. McDonald noted that it has only been one week since resignation was announced, but that since the recommendation by the Republican Town Committee satisfied statute and having heard no other recommendations, McDonald moved, Gates 2nd to appoint Jim Olson to the Board of Selectmen with a term to expire November 19, 2019. Gates spoke to his working experience with Olson as members of the Board of Education and as two lifelong Deep River residents. Olson spoke to his interest in continuing to serve his community.
