The Conservation and Inland Wetlands Commission held a site walk on the property of Jeffery Hinxman and Janis Morin on Rattling Valley Road (Map 64, Lot 19) in connection with application by Sarette Builders, Inc. for the purpose of installation of a driveway with a stream crossing for access to a proposed house.

Robert Doane, engineer for the applicant, identified the monuments for the location of the driveway and the stream crossing. A 24 inch diameter culvert is proposed for the crossing with rip rap and retaining walls.
