

Deep River Town Hall Auditorium Restoration Committee

Special Meeting held on January 26, 2012 at Deep River Town Hall

In attendance: Art Thompson, Fran Strukus, Richard Nagot, Dennis Schultz, Kim Olson. Linalynn Schmelzer was in attendance.

First order of business is communication from UBS. Fran Struckus has received check from UBS and deposited it in the Essex Savings Bank checking account.

Art Thompson is gathering all information needed for Probate Court Application. Two sets of minutes are needed:

- 1) Minutes of dissolution of the past group, Deep River Town Hall Restoration Association, Inc.
- 2) Minutes from DRTHRA Inc, having Sally Carlson-Crowell and Fran Strukus in charge of UBS and checking account.

The committee needs to finish activities related to past committee. Scott Nelson will provide balance of accounts as of 12/31/11. He will need to be paid for his services. Also, Fran Strukus needs to be reimbursed for expenses incurred.

Meeting with Building Inspector, Dick Leighton, on January 25, 2011, with Dick Smith, Art Thompson, and Dennis Schultz.

Dick Leighton is more than willing to help and answer any and all questions we may have in relation to the restoration.

Things discussed included emergency lighting. We can keep existing units but new ones should be dual with exit and emergency lighting signs. We should put a guard or higher railing on balcony for safety reasons. Curtains on all windows need to be fire retardant. Discussion of putting plexi glass over windows, which would bring them up to code on the balcony and balcony stairs. Town would pay for windows on staircase in main auditorium. Seating in balcony needs to be discussed as to how to proceed.

Town Fire Marshall, Keith Nolin, will be at our next special meeting held on February 2, 2012 at 2 p. m. Recommendation from Building Inspector to be put in writing to merge with those of Fire Marshall.

Talk of having time set aside for Linalynn Schmelzer to speak during meetings.

At the next meeting the committee, smaller committee will be formed to expedite items needing to be accomplished

Meeting adjourned at 3:29
