

Design Advisory Board Meeting Minutes

Date: March 23, 2017

Location: Deep River Town Hall

Board Members Present: Dan Batt, Jeff Hostetler, Sue Watts, Alan Paradis, Pamela Potter

Board Members Absent: Mike Cole, Peter Howard

Guests: Sue Williams, Mark Hotkowski

The meeting was called to order at 6:30.

Sue Williams from Piano Works presented a concept design for a Pratt Read and Company interpretive sign to be placed at the south end of the property.

The board is in favor of the concept presented and would like to follow up on the final size, graphics and placement. The board indicated their preference for a pedestal stand over a monument style sign.

There was a discussion about the possibility of lighting the sign, but the board felt it unnecessary as there are sidewalk streetlights located nearby.

Meeting adjourned: 7:40
