On April 12th, the Board of Selectman appointed Ron Larson and Linda Hostetler to the Firehouse Study Committee.

Ron Larson was given copies of the Committee's previous meeting minutes and a copy of the Phase 1 Report. Linda Hostetler was unable to attend the meeting and John Kollmer will hand deliver her copies. The Committee discussed the objectives of Phase 2 and Ron Larson was brought up to speed on what the Committee has accomplished so far.

At 7:45pm the meeting was moved to the Deep River Firehouse to review documentation by the previous Building Committee. The Committee will start developing three separate firehouse improvement assessments with pros and cons for each.

John Kollmer will obtain plot plans and setback requirements for 51 and 57 Union Street. As well as contact Cathie Jefferson, the Planning & Zoning Enforcement Officer, to see if she can attend our next meeting to answer any questions the Committee.

The meeting was adjourned at 9:15pm.
