

Firehouse Study Committee  
174 Main Street  
Deep River, Connecticut 06417

**Regular Meeting Minutes of June 2, 2011**

The meeting was called to order at 7:00pm by Tim Ballantyne

**Members in Attendance:** Tim Ballantyne, Tim Lee, Ron Larson, Linda Hostetler & Paul Carlson

**Audience of Citizens:** Bob Raymond

The Committee reviewed the pros and cons from the previous meeting. Bob Raymond was present and was able to answer questions and concerns about the Fire Department property such as the flood plain, setbacks and parking. He also showed the committee the plans of the second building that went to referendum. There was discussion on why the last referendum was defeated.

The committee felt that it had covered all of the areas that they had been charged with by the Board of Selectmen. At the next meeting, (June 22) a written report will be done dealing with all of the areas that the FSC was to look into. A copy would be presented to the BOS prior to a BOS meeting so that we will be able to answer any concerns that they may have. Upon addressing any concerns, the Committee will formally present it to the BOS at a regular meeting.

The meeting adjourned at 8:10pm.

Respectfully Submitted,

T. Ballantyne
