The meeting was called to order at 7:00pm by John Kollmer

Members in Attendance: John Kollmer, Tim Lee, Ron Larson, Linda Hostetler & Dave Beradis

Audience of Citizens: None

John Kollmer presented the new website for the Committee, www.deepriverct.us/firehousestudy. Some additions will be made with regards to more information about the Deep River Fire Department, Inc. Ron Larson suggested we also create a video to be broadcast on Comcast's public access channel and we will also create a document to mailed to all residents in Deep River when both Phases are complete.

The Committee approved the draft report of the "Alternate Location for a Firehouse".

The Committee discussed the Pros/Cons if the Fire Department did nothing with regards to the building and the ramifications of continuing to storing equipment outside the firehouse.

John Kollmer will have a draft of these points ready for the next meeting and the Committee will set a date to have the Board of Selectman attend one of our meetings.

The meeting was adjourned at 8:15pm.

Respectfully Submitted,

John Kollmer
