The Committee met with the Board of Selectman to review our progress on Phase II. Art asked if the Committee was considering appointing a Building Committee after the reports are completed. Steve interjected by stating that this was not our charge as a committee and the Selectman would need to appoint any continuing committees. Dick also wants us to make sure we also have a response to the future of the house the department owns.

At 7:35pm, the meeting with the Board of Selectman was adjourned and the Committee continued their meeting.

The Committee discussed ideas for the final recommendations. John will met with the Fire Department to discuss their intentions with the house.

The meeting was adjourned at 8:45pm.

Respectfully Submitted,

John Kollmer
