To the Board of Directors of the Fountain Hill Cemetery Association,

On behalf of the congregation of St. Peter's Anglican Church, we would like to express our deep appreciation first, for being so accommodating of us for our worship needs; second, for all of the improvements made over the past several months, including the walkway and exterior hand rails, and especially the new cushions for the pews. We're sure that it was not easy getting a color to match (or complement) the vinyl on the kneelers, and we also noticed the very appropriate pattern on the pew cushions. We realize that, although the Wooster Chapel is open to all people, we of St. Peter's Anglican Church are the chief beneficiaries of these improvements, and we are especially grateful to FHCA and the many generous donors who have made this all possible.

As we are little more than one month away from the one year anniversary of when we commenced services at the Wooster Memorial Chapel, again on behalf of the congregation we extend our grateful thanks, and look forward to continuing our relationship with the Fountain Hill Cemetery Association.

Sincerely,

  
Rev. Merrill R. Perkins,  
Vicar

  
Charles F. Wonneberger,  
Warden
