

Deep River Water Pollution Control Authority

August 5, 2015 Meeting Minutes

Call to Order: Eckenroth called this meeting to order at 7:32 pm.

Members in Attendance: Eckenroth, Rodriguez, McDonald. Lewis is acting as secretary.

Old Business:

- Upon motion by Rodriguez, seconded by Eckenroth and carried unanimously, the minutes from the July meeting were accepted as presented.
- Financial update: Lewis gave a brief overview of the current budget as well as Fiscal 14-15.
- River / Kirtland sewer expansion update: Lewis stated that although 5-7 weeks behind schedule, the project is moving along smoothly. Ledge, water and unstable soils are hampering progress. It *appears* at this point that the project may come in under budget. Soft costs (engineering, inspection) associated with this project may run over.

New Business:

Adjournment: Upon Motion by McDonald, seconded by Rodriguez, and carried unanimously, the Authority voted to adjourn at 8:30 pm.

Respectfully Submitted,

Peter Lewis, Acting Secretary
