

Meeting Minutes:

Tri-Town Beach Committee Meeting

Tuesday April 19, 2016

Whately Town Offices @ 4 Sandy Lane, Whately

6:00pm

Present: Judy Bardwell, Beth Foley, Sue Monahan, Bill Skroski – Commissioners

- Discussed lifeguards and staffing. Need to hire at least 4 new guards as some are not returning. Alex, Gus and Mat are expected to return this year. We could stand to hire 6 if possible to make sure all shifts are covered.
- Lifeguard shifts will be 10am-4pm/2pm-8pm and 12pm-7pm on Sat/Sun This way all shifts will be 6 hours, except for weekends that will be 7 hours. This should help with better commitment from the guards. All commissioners agreed on new shifts. Also going to implement a rotating 5 day schedule that way weekends/days off will rotate fairly among everyone. Sun-Thurs, Mon-Fri, Tues-Sat...etc.
- Discussed advertising in both towns for open positions. Beth will ask Craig Collins for possible referrals of candidates as he holds guard certifications locally.
- Discussed the dock. Beth got two quotes so far. Also presented material on different types of docking and pros/cons of each. Going to look into a few more places to get quotes from.
