

Accepted as amended 1/22/2015

**Conservation Commission Minutes
Meeting – December 18, 2014**

Present: Steve Barrett, Louis Misiun, Jr.; Bob Cowles, Ben Bryne
Absent: Brian Dejnak

The meeting was called to order at 7:00. The resignation of Paul Sokoloski was accepted, with regret. Minutes of the November meeting were approved and mail was reviewed.

The Commission welcomed Steve Barrett, former Commission member and promptly made him chair.

Old Business:

- **NOI** – Eaglebrook School (DEP# 142-0199) Edward P. Evans Science

Present: Jeff Squires (Berkshire Design)

Jeff reported that there had been further communication with Stantec and a consensus had been reached on requirements for the project. The Commission prepared an Order of Conditions as per the letter from Stantec. Paperwork will be held until stamped engineering plans are received.

- **Request for Certificate of Compliance: Present:** Jeff Squires (Berkshire Design)

Mr. Squires requested that the Commission sign off on the Learning Center project (DEP# 142-0194). The Commission agreed to signing off on the project provided a letter is received confirming that NOI conditions have been met.

New Business:

- Request for Determination : Atlas Farms – 218 Greenfield Road

A site visit was made prior to the meeting. As agreed , a wetlands consultant provided the verification which the Commission previously requested and a negative #3 finding with erosion conditions was agreed upon.

Next meeting: The date of January 22, 2015 was set for the next meeting.

The meeting adjourned at 8:00 pm.

Respectfully submitted,
Priscilla Phelps
