

Conservation Commission Minutes
Meeting – September 24, 2015

Present: Steve Barrett, Louis Misiun, Jr., Ben Byrne
Absent: Robert Cowles, Brian Dejnak

The meeting was called to order at 7:05 pm. Minutes of the August meeting were reviewed and accepted.

Old Business:

NOI - 901 River Road - The Peer review report prepared by Newman Environmental Engineering was presented. There are several areas questioned by the reviewer which require work between the Mr. Newman and New England Environmental to resolve. Therefore the public meeting will be continued until next meeting – October 22, 2015 - at which time it is anticipated that an Order of Conditions may be issued.

New Business:

RDA - Pan Am Railways – 38 Railroad Yard Rd - Present: Tim Mosher
Mr. Mosher presented a plan to mitigate erosion of an area at the railyard that has been problematic since Hurricane Irene. The commission visited the site at 6:00 pm, prior to the meeting and found the plan suitable (negative #3) requesting that an annual maintenance report be submitted.

The meeting adjourned at 7:34 pm. The next meeting will be held on October 22, 2015 at 7:00 pm.

Respectfully submitted,
Priscilla Phelps
