Motion to purchase \$358.00 worth of CFL'S with remainder of Clean Energy Choice \$\$\$ was moved by David, seconded by Kathy. Passed all.

MA will write report for Town Annual Report 2009.

David volunteered to put info about DERC onto the new Town website.

New Business:

E-mail from Sunderland resident about "Climate Leadership Workshop" discussed

Jay reported that on April 18 there will be another workshop in GFLD, Energy Fair and new Solar homes can be toured.

Kristan reported that Earth Hour will be 3/28/09 and that for one hour, 8:30-9:30 pm, lights should be turned off. There are 84 countries participating.

Kristan also reported on street lighting. She is still trying to find more info on what the Town can do differently. Town has 323 high pressure sodium lights leased through WMECO and paid through Hampshire County Office of Govt(?) She will continue to pursue if any changes can be made.

MMA event discussed. What are possible topics? Also a day during the week of June 15-19 should be set as the day for MMA. Amy should get more info on topics and set date.

Old Business: We are waiting on the ESCO report. Is it done?

Meeting adjourned at 4:25 pm. Next meeting on April 23, 2009.
