

DEERFIELD ENERGY RESOURCES COMMITTEE

AGENDA | January 23rd, 2014 | Deerfield Town Hall, Room 130 | 4:00 PM

1. Establish minute taker
2. Minutes Review:
Review 12/5/13 Minutes
3. 12/12 Campaign – Potential collaboration with other Franklin County towns
 - a. Franklin County Residential Outreach - develop projects encouraging residents to use weatherization programs. Greenfield has just finished such a door to door campaign.
 - b. May want towns to contribute some money.
 - c. Greenfield's Energy Smart Homes Project – see handouts
 - d. Discuss possibilities
4. Green Communities:
 - a. WWTP Solar Project Update
 - i. Need permits from 3 committees before sending out RFP. Planning Committee, Conservation Committee, Zoning Board Appeals (for setback restrictions).
 - ii. RFP will be written by person at FRCOG.
5. Shared Energy Manager with other towns for period of 2 years.
 - a. Potential Energy Manager shared by Deerfield, Sunderland, and Whately
 - b. Would be paid with grant money (2 or 3 years).
 - c. EM would write quarterly and annual reports Green Communities, ensure EMS is working, maintain Insight dashboard, possible website management, and write grants.
6. Energy Committee Sign – repurposed
7. Community Solar
 - a. Private Coop where investors would buy panels and would receive energy from panels. Must be WMECO customers.
 - b. Possibility of using/leasing Deerfield's Landfill is one of the considered installations.
8. Franklin County Solid Waste Management District meeting. See handout
9. Schedule next meeting
