CPC Cemetery Project Pat reports that Kai will begin work on Sugarloaf Street cemetery this week. Jane will prepare a PowerPoint for the public hearing April 14 and the annual town meeting April 25. We will make a “Thank You Deerfield – Your Community Preservation Dollars at Work – Cemetery and Monument Restoration Project” reusable sign, to be posted first of all in Sugarloaf Street cemetery in April prior to Town Meeting.

Annual Report Jane and Marilyn completed the report and submitted it with two images. Town office asked the commission for more photos to illustrate the town report; Marilyn forwarded a small selection of images from PVMA and Smugmug Image Museum.
