

**Deerfield Conservation Commission
AGENDA**

Monday – May 7, 2018

Special Meeting

4:00 PM

**Members will meet at the Eversource Cate Road Substation
400ft north of the driveway to the substation on the right
There is room to park on the right side of Cate Rd**

**A site visit to the Eversource Cate Road substation has been scheduled for
Monday, May 7th at 4 pm to evaluate the quality of work performed by
Eversource in conjunction with a previously-issued Conditional Use Permit
(CUP) and the impacts of that project to surrounding wetlands.**

An application for a new CUP has been submitted by Eversource for a proposed structure replacement project. The project is described as transmission line maintenance on Eversource Energy lines 373 and 391 including the replacement of two structures, STR 178 and STR 185. Work will be conducted on a 48 acre Eversource-owned parcel, Map 416 Lot 062, North of Mountain Rd. and Southwest of Nottingham Rd, and will require temporary impacts to wetlands.

The above site visit is being conducted in preparation for a meeting with a representative from Eversource scheduled for the May 14th DCC meeting during which the application will be reviewed.

The Next Regular Meeting is Scheduled for Monday, May 14th - 7pm

(Please check the website for scheduling changes)
