

**Deerfield Heritage Commission
Special Meeting Minutes
February 20, 2012**

Members Present: Jim Deely, Hony :Hoague, Kelly Roberts. Carol Levesque, Nancy Brown, Fran Menard

The Meeting was held in the upstairs meeting room of the Town Hall at 7:00 pm to inspect the stage curtain and surviving scenery (pair of double hinge Woodland flats). Jim Deely announced that the Heritage Commission has received \$3600 through anonymous donations for the specific purpose of completing the restoration project as outlined by Curtains Without Borders in their proposal of May 28, 2011. It was agreed by all present to request that the project start date should be either April 15, 2012 or April 18th, 2012, as those selected by Mark Tibbetts as most convenient for the work to take place. Fran will contact Curtains Without Borders to tell them we are ready to proceed, and for them to let us know the appropriate start date.

All present were excited about the project and feel the completed work will be a tremendous asset to the Town.

The meeting adjourned at 8:10 pm
