

**Heritage Commission Minutes
TOWN OF DEERFIELD
Wednesday, January 4th, 2017**

Members Present: Hony Hoague, Jim Deely, Carol Levesque, Nancy Brown, Fran Menard

A special Meeting was called to order by Hony Hoague at 7:00 pm at the Library. Proposed wording for a Petitioned Warrant Article for the 2017 Town Warrant was the topic for discussion. It was agreed by all present that the wording the Town had used for the 2006 warrant article for the Town Hall sprinkler system would be used as a model, and the full amount (\$300,000.) currently estimated for the elevator and external housing be requested, stating as well that the Heritage Commission would actively seek grant opportunities to offset the cost of the project.

Jim Deely agreed to create the Petition format, and Fran will start getting signatures at the 250th closing ceremonies at the Town Hall on January 7th, for submission to the Town Offices by January 10th.

There being no further business the meeting adjourned at 7:20 pm.

The next meeting date is scheduled as previously for Tuesday, January 17th, 2017
