

Derry Conservation Commission  
Derry Municipal Center  
March 22, 2009

Minutes:

Present: Paul Dionne, Chair, Dennis Wiley, Ellie Sarcione, Ric Buzzanga, Beverly Ferrante, Margaret Ives, Alternates: Marianne Page, Peg Kinsella

Call to Order

Chair's Report:

Various conservation publications are available for review. Troop 405 will have an Eagle Scout Award Ceremony April 4<sup>th</sup> at 2 PM at First Parish Church for Corey Alex Godinez. Dennis Wiley will attend. Paul asked us to all participate in a Broadview Farm workshop this Saturday March 28 at 9 AM to clear the area around the public gardens.

Site Plan Review:

Anna Calabro 341/4, 431/2 North Shore Road Tax Map #56, Tax Parcel #061-066 Herbert & Associates, Wes Aspinall. Mr. Aspinall presented a site plan review for a lot consolidation from 6 lots to 2. This is a 1953 subdivision with a deeded roadway along a private ROW. 3 variances were granted by the zoning board due to lack of frontage, shared driveway and lot size. No HISS tests have been done yet. These lots are beyond mandatory sewer line connection. A site review was scheduled for Saturday March 28 at 8 AM. The HISS tests will be done and the wetlands flagged.

Other Business:

The DCC will have a table display at the April 4 Planning session. Peg will provide maps for distribution. Margie reported that Hannah Martin hopes to have the DCC do trimming along the easement bordering Lane Road. Margie and Paul will schedule times with Hannah.

The DCC meeting closed for a CTAP workshop. After the workshop the meeting adjourned, motion made by Ellie, seconded by Dennis and passed unanimously.
