

DERRY CONSERVATION COMMISSION  
Minutes March 8, 2010  
3<sup>rd</sup> Floor Meeting Room Municipal Center

Present: Margaret Ives, Chair, Dennis Wiley, Jim Arruda, Paul Doolittle sitting for Ellie Sarcione, Ric Buzzanga and Beverly Ferrante.

Margie volunteered to take minutes. Minutes of February 22 were read, correction made to committee name, motion made by Ric to approve, seconded by Beverly and approved by Margie, Dennis, Paul, Ric and Beverly, abstention by Jim.

Chairs Report.

\* Margie reported that as discussed at the last meeting Tracy Degnan from RCCD will prepare a grant for control of invasives at Shepard Park for \$1200. Motion made by Paul with second by Dennis to approve the expenditure from the Administrative account for \$1200 for the grant prepared by RCCD to control invasives at Shepard. Motion passed unanimously.

\* Special Places conference reminder is April 10. So far, Dennis and Jim are going

\* DES creates name of Land Resources Management Program merging DES Wetlands bureau and Alteration of Terrain programs with a regional contact, ours is Emily Lucas Compliance specialist DES.

\* DES letters:

Town of Derry emergency authorization for culvert repair Drew Road.

38 A&B Coles Grove Road Shoreland approval to remove 2 homes and replace with duplex subject to conditions

18 Windham Road request for more information, recommendations made.

PSNH 12 Scobie Pond Road request for dredge and fill administratively complete.

95 Conleys Road receipt of after the fact Shoreland application additional information needed.

\* SPECIAL PRESENTATION by Doug Cygan Invasive Species Control Coordinator for NH Dept. of Agriculture. Mr. Cygan presented intriguing information on invasive identification and control measures for over an hour. He is available to talk with other groups in person. The message is to get involved to help control invasives. One of the suggestions included creating a separate place at the transfer station for the disposal of invasives. Margie will contact Mike Fowler regarding this idea. Members of the Garden Club and the BLIA attended the presentation.

Motion to adjourn made by Ric seconded by Beverly and approved by all.
