A monthly meeting of the Derry Highway Safety Committee was held Thursday, December 17, 2009 at the Derry Municipal Building Center. The meeting was called to order at 9:03 am.

**Approval of Minutes**

Alan Cote had a motion to approve the November 19, 2009 Minutes as written. Al Dimmock seconded.

Motion Approved.

## NEW BUSINESS

### **Gus Coccozza Reduce Speed from 30mph to 20mph Fairway s**

Alan explained the traffic study results to the Committee and Mr. Coccozza. He also stated that the results of the study were passed along to the Police Department. The Police Department will use the information to tailor when they are patrolling the area.

Mr. Coccozza agrees with the findings and hopes that the recent newspaper article and additional police enforcement will make the residents and visitors more aware of their speeds. The word is getting around in the Community.

Alan Cote stated that the traffic counts give pretty reliable results because motorists are not aware of the traffic counter. The results of the traffic count identify when the motorist are speeding. He stated that overall 43% of the traffic is traveling 20-25 mph in the community based on the report.

Al Dimmock stated that there are a few speeders during the middle of the night around 2 - 3 am in the morning.

Mr. Coccozza thanked the Committee for looking into their concern.

**No further action to be taken at this time.**

### **Tim Sugrue St.Charles Traffic concern**

Mr. Sugrue requested a stop sign or guardrail at the corner of St.Charles @ Aiken St.  
(Note: NO formal request was received)

**Alan Cote made a motion to table this indefinitely until a formal request is received from Resident.**

**Seconded by Al Dimmock.**

**Motion PASSED.**
