A special meeting of the Derry Highway Safety Committee was held Thursday, May 1, 2014 at the Derry Municipal Building Center. The meeting was called to order at 9:10 am.

OLD BUSINESS

Tim Peloquin – 70 Fordway – 3 story, 14 Unit – Apartment Complex

Tim Peloquin presented a newly revised site plan for review. At the previous meeting held on April 17 this Committee had proposed that the site connect to Pinehurst St. They went back and redrew the site plan and brought it forward to TRC. TRC determined that the slope of 12° would be too great and they would not approve the waiver. They went back and redesigned the plan to create a more significant turnaround for the Highway Safety Committee to review today.

Chief Garone questioned how the plan had changed from the original site plan.

Tim Peloquin stated that the turnaround was reinstated as 24' wide and increased the depth making it 10 feet deeper than the original plan.

Alan Cote felt that this solution would work but suggested that the turnaround be posted No Parking.

ORIGINAL MOTION – April 17, 2014 - George Klauber made a motion that the Highway Safety Committee proposed adding an 18 foot Exit Only with 3 foot gravel shoulder onto Pinehurst St and would endorse a waiver if needed.

**Seconded by Randy Chase.
MOTION Approved (10-0)**

Chief Garone made a motion to reconsider the original motion from April 17, 2014.

**Seconded by Alan Cote.
MOTION Approved (8 – 0)**

Alan Cote made a motion to *require* a connection to Pinehurst St.

**Seconded by Jane Simard
MOTION DENIED (0 – 8)**

Alan Cote made a motion to accept the site plan as presented on May 1st with the condition that No Parking sign be added to the turnaround area.

**Seconded by Chief Garone.

Meeting adjourned at 9:28 am
