## OLD BUSINESS

### **Craig Cascaden – English Range Rd. Speeding concern**

Mr. Cascadden was not present. Alan Cote stated that he had not had the opportunity to set up the traffic counter yet but would be doing so in the next week. The committee can review the results at the next meeting.

10/26/2015 Alan Cote completed traffic count. The 85<sup>th</sup> percentile is traveling 45 mph. The posted speed is 30 mph.

## NEW BUSINESS

Robyn Tolman- North Shore Rd – (Beaver Lake) On-going speeding issue.

Ms. Tolman was not present for the meeting. After reading the concerns written down, Chief Garone said he would ask the late night and early morning shift to increase patrols and install the radar sign.

Alan Cote said he would send Ms. Tolman the results of a traffic count from May of 2015.

## OTHER BUSINESS

Alan Cote remarked that he had just completed a traffic count on Aiken Street and found that the results were quite favorable. The 85<sup>th</sup> percentile was traveling at 29.6 mph in a 30 mph zone. Residents still wanted to know what could be done to reduce speeds of the other 15 percent. Alan explained to the resident that the compliance level was quite high. It is nearly impossible to get 100% compliance and the police must allocate resources to areas where compliance is not as high.

**Alan Cote made a motion to adjourn at 9:30 am.**

**Seconded by Mike Gagnon.**

**Motion Passed 7-0**

Next Meeting is Thursday – November 18, 2015

Respectfully,

*Alan Cote*
