

Dunstable Affordable Housing Committee Meeting

February 7, 2017

Present at the meeting were Jon Hughes, Brian O'Donnell, Carol Bacon and Town Administrator Tracey Hutton.

No quorum was present, so no business was conducted.

We discussed the previous Water Dept. meeting where we did have a quorum present, and the Commissioners decided to present a warrant article for engineering costs on the immediate needs of the Department, including placing the pneumatic tanks at the back of the MUD property.

Meeting was adjourned at 3:00pm.
