Household Hazardous Waste Collection Day

The Town just completed a 3 year contract with Tyngsborough to participate in a regional HHW Collection Day. At this point we are not sure that Tyngsborough will ask us to join them again. In the meantime, Devens has a regional site to dispose of this waste up to 20 times per year for a fee from the Town and each resident also paying for what they dispose of. Before making any decisions, the Board would like to find out approximately how much waste is disposed of each year from Dunstable.

The meeting adjourned at 7:45 P.M.
