290 Depot Street – Pat Plaehn

Mr. Plaehn came in to discuss the transfer station with the Board. He said that he has lived in Dunstable for 9 years and often walks by there. He noticed that lately that there has been a lot of trash strewn about both inside and outside the area and he would like to volunteer his services to help keep it clean.

The Board explained to Mr. Plaehn that we have just hired two new monitors there and they are still in training. Very soon we will address that issue with them. They also felt that very often residents were not very responsible in handling their own trash by not picking up their own if it accidentally spilled.

The Board thanked Mr. Plaehn for coming in and also for volunteering and gave him 10 trash tags to use when he does do cleanup.

Other Business:

A one year Household Hazardous Waste Contract was signed by the Board.

Trash Permit Lottery Drawing Winners are:

Marilyn and Donald Stevens of 636 Groton Street
Mark Kimball of 655 Groton Street

The meeting adjourned at 7:45 P.M.
