

Board of Health Minutes
May 15, 2016

The meeting opened at 7:00 p.m. with Ms. Amodei, Mr. Moeller and Mr. Parkin present.

The minutes of the meeting of May 3, 2106 were approved as written.

All Bills and time sheets submitted were approved for payment.

455 Forest Street – Lot 3 Bacon

Mr. Bacon's listed above home was part of a 4 lot subdivision. Title 5 requires that if there is a building on one of the lots, the septic system for that lot must pass a Title 5 inspection. For that reason the septic plan for Lot 4 was held until a confirmation was received that it did pass a Title 5.

Ms. Braley reported to the Board that the existing home on Lot 3 did pass an inspection and the Board can release Lot 4. The Board accepted that information and released it.

340 Forest Street

The Board reviewed a septic plan for the above and approved it. Ms. Amodei and Mr. Moeller approved it. Mr. Parkin abstained because the basement is located below the septic system.

MS Amodei and Mr. Moeller signed the septic permit.

Household Hazardous Waste Collection Day.

The Board was reminded of the collection day in Tyngsborough on May 21st. Ms. Amodei and Mr. Moeller will attend to help out.

Transfer Station Fence

Ms. Amodei asked the Secretary to call the fence company and confirm that they received her message about the location of one of the fence poles is not correct.

The meeting adjourned at 7:25 p.m.
