Other Business:

Tracey Hutton; Town Administrator came before the Board to discuss possible changes to the way the Town of Dunstable collects and disposes of their trash and recycling. She explained to the Board that she is the Town Procurement Officer and must be involved with any bids for the Town to ensure they are done correctly.

Some of the options are:

Keeping the transfer station open.

Curb side collection

Renting out the transfer station to a trash hauler

Selling large and small bags for disposal instead of stickers because it limits the size of the bag to 30 gallons.

Ms. Hutton will return to a meeting with Irene Congdon; State Recycling Co-coordinator either Dec. 6 or 20th.

The meeting adjourned at 8:15 p.m.
