

Board of Health Minutes
January 17, 2017

The meeting opened at 7:00 p.m. with Ms. Amodei, Mr. Moeller and Mr. Parkin present.

The minutes of the meeting of December 6, 2016 and January 3, 2017 were approved as written.

Rabies Waiver Request

The Board reviewed information submitted to them for a request to waive a rabies shot for a French Bulldog named Gabby. Their Veterinarian recommended that because the dog has a specific disease, the rabies vaccine would compromise the pet's health. An antibody titer was ran on Gabby and the results were that she has an antibody level of 0.7 IU/ml. Antibody levels are found to be protective in human models of proven rabies exposure cases of greater than 0.5 IU/ml and has been found to be 100% protective in human models of proven rabies exposure cases.

The Board approved the request based on the submitted information.

573 Main Street – Dumont

The septic plan was reviewed and approved by the Board subject to a well arc to the neighbors well is placed on the as built plan.

The septic permit was signed.

Lot 6 Pond Street - NK Lanhue Trust

This plan was before the Board at the last meeting and was not approved due to the absence of the identification of distances between trenches. It was noted on the plan but was not noted on the actual design of the trenches. The Board confirmed that the information was now on the plan between the trenches and approved it and signed the septic permit.

Transfer Station – Trash Haulers

The Board will work on a list of questions for their meeting to be asked to two representatives of trash and recycling companies about difference alternatives available to the Town to collect and dispose trash.

The meeting adjourned at 7:30 P.M.
