Trash Disposal

Ms. Amodei would like thank-you notes sent to all four trash haulers who came into our meetings to discuss trash disposal.

We would also like a 1 year contract with an option to renew from Waste Mgmt so we can continue to operate the transfer station until a decision is made for the future pickup and disposal of trash and recycling.

We should also apply for a grant for trash and recycling containers. If we decide not to go curbside, and we are awarded the grant, we do not have to accept it.
