

Board of Health Minutes
September 5, 2017

The meeting opened at 7:15 p.m. with Ms. Moeller and Mr. Parkin present. MS Amodei was absent.

All bills and time sheets submitted were approved for payment.

Transfer Station

The Board approved a yearly cutting at the transfer station with Greenscape, Inc. for \$885.00. The town has a contract with them and the transfer station has now been included in that contract.

493 Forest Street

The septic plan was not approved at a previous meeting. The plan lacked location information on all wells within 200 feet of the system and did not show a reserve area.

The Board reviewed, confirmed and signed the septic permit after noting that all information missing on the previous plan was on the new plan submitted.

The meeting adjourned at 7:45 p.m.
