

Board of Health Minutes
March 6, 2018

The meeting opened at 7:15 p.m. with Ms. Amodei, Mr. Parkin and Ms. Moeller present.

The minutes of the meeting of February 20th were approved as written

All bills and time sheets were approved as written.

71 Chapman Street – Lot 13

Water test requirements were met other than arsenic; it exceeded the acceptable level. A filtering system will be required before occupancy. The Board reviewed the building plans and noted that there were no bedrooms in the finished basement. The main house has 4 bedrooms which is what the septic system is designed for.

The Board approved all the information presented and Ms. Amodei signed the building permit application.

67 Chapman Street, Lot 14

Water test requirement were met other than arsenic; it exceeded the acceptable level. A filtering system will be required for occupancy. The Board reviewed the building plans which showed a 4 bedroom home which is what the septic system is designed for.

The Board approved all the information presented and Ms. Amodei signed the building permit application.

36 Bear Hill Road – Lot 5

31 Bear Hill Rd. – Lot 6

The Board reviewed both set of proposed septic plans and approved them.

They signed the septic permit for each.

Other Business:

Ms. Congdon will be attending the next meeting to continue discussing curbside trash and recycling.

The Board voted to require all engineers to put a house number and lot number on all septic plans submitted for review.

The meeting adjourned at 8:00 p.m.
