

**Minutes: Selectmen's Meeting – Monday, April 26, 2010**

Present: Walter F. Alterisio, Clerk and Procurement Officer and Member Kevin Welch; Chairman Wesley D. Goss absent

The board met with Fincom and participated in their hearing on the STM & ATM warrants and the budget, reviewed and signed the Treasurer's warrants while hearing was in progress. Selectman Alterisio exited somewhere around 9PM with Selectman Welch staying on until the hearing concluded.

The Board called the Tuesday session to order at 6:30PM with quorum technically present (Selectman Welch present and Selectman Alterisio on speakerphone) but due to poor quality transmission, the board suspended the meeting to a time indefinite.

Selectman Welch reviewed the mail, but indicated his preference against signing the ATM warrant. Selectman Alterisio and Goss will stop in to sign.

Respectfully submitted,

Danice N. Palumbo,  
Board Secretary
