The Meeting was called to order at 6:05PM in the Swallow Union School Library with all members present.

The Board briefly discussed the packet from David Sweet in response to a notice he'd received from Conservation Commission relative to notice of intent. Chairman Alterisio and Selectmen Devlin provided some of the background and the board noted agricultural plan and related qualifications.

The Board reviewed articles and who'd submit, which prompted discussion relative to the current Town Engineer and concerns – will need to work with Conservation & Planning to make sure each board understands what's expected and pertinent responsibilities.

The Board agreed to hold minutes until their next meeting on Tuesday, 5/22 and Chairman Alterisio made recommendation for the board's re-organization once minutes are approved next week.

GDRSD School Committee member Jim Frey met briefly with the board explaining some of the particulars relative to the stabilization fund for the district noting it would help prepare for capital projects, upgrades, etc., and could provide for unexpected upgrades that might come into play. He reported on the search for a new superintendent – noting five (5) finalists for Interim Superintendent.

He further advised on a candidate for the open position on the ballot for GDRSD Committee – will be write in.

Treasurer's warrants were reviewed and signed and the meeting adjourned at 6:50PM after appropriate motion and vote and the Board proceeded to the cafeteria for the STM & ATM.

Respectfully submitted,
