

Dunstable Monument Committee
137 Depot Street
Dunstable, MA 01827

April 29, 2013

To: Honorable Board of Selectmen

Subject: Veterans' Monument Area

The Veterans' Monument Committee wishes to solicit a grant of funds from the Sarah A. Parkhurst testamentary gift for the repair, maintenance and upkeep of the Roby Memorial Building. The Committee wishes to apply the funds to a part of the ground reclamation work to be done in front of the Town Hall in the immediate vicinity of the existing monuments after the installation of two new monuments representing the Korean and Viet Nam conflicts. The expense of procuring and installing those monuments themselves would be defrayed from the other funds, and the Parkhurst funds would be dedicated to the ground refinement and finishing afterwards.

As you know, town counsel has provided an opinion that such a use of the funds would be appropriate under the terms and circumstances of the gift. The Committee wishes the Board of Selectmen to make the formal request of the Trust Fund Commissioners.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Ted Gaudette'.
