It was noted that the Town Funded \$55,500 at 11/16/09 Special town meeting for engineering drawings for the McGovern’s Farm Wall reconstruction for Rt 113. No one discussed the significance of keeping it looking as it was therefore the engineer is requesting an additional \$6,000 from the CPC to correct the proposal to reflect the Historical significance of the construction or look that it had been.

George moved Joan seconded passed unanimously

We are currently looking at adding \$30,000 for each fund to bring each to about \$120,000 except open space. The General fund had about \$66,100 with an add of \$87,000 and a reduction of the current \$6,000.

Every member of this board that comes from another committee needs to be reappointed next year.

Moved and seconded to adjourn at 6:58PM. Motion passed unanimously.

Respectfully Submitted,

Joe Dean
