Guest: Barbara Blanco, Secretary, representing the Lake Massapog Rod and Gun Club

**Minutes of previous meeting 10/12/2017:** Motion by Susan to accept the minutes and seconded by Alan. Unanimous approval by members.

Barbara presented a **Project Submission Plan** with the project name of Lake Massapog Aquatic Vegetation Survey. Lake Massapog has been invaded by many weed species which threaten native populations and the character of the lake. Solitude Lake Management conducted a vegetation survey of the lake for a price of \$4500 paid by the massapog Rod and Gun Club. The club is asking for \$2500 to pay for a concise written report of findings, including maps as well as a presentation of results to the Association with question and answer session.

Susan stated the request meets the criteria for CPA funds.

Susan made a motion to fund the \$2500 taken from the CPC Administrative Fund for Solitude Lake Management to provide the written report of findings of the vegetation survey. Alan seconded the motion and the vote of members was unanimous in favor.

**The meeting adjourned at 7:15 PM.**
