CPA Funds for Revision of Engineered Plans – McGovern Wall

Leah brought the Commission up to date regarding the McGovern wall and the current plan that will be submitted to the state for approval. This plan meets state guidelines, however, does not meet the approval of the Historical Commission and the Conservation Commission. Additional funding would need to be approved to pay the engineer for the changes to keep the historical nature of the wall. Alan made a motion to support the use of \$6,000 from the general budget reserve of CPA funds to revise the engineered plans for the McGovern Wall. Bill 2nd the motion.
– All members voted in favor.

Members then met with the Historical Commission to further discuss the changes to the plan. After the discussion, the Historical Commission also voted in favor to use the CPA funds for the revision of the plan.

Motion was made to adjourn the meeting at 8:15pm. Motion 2nd. - Motion passed. The next scheduled meeting for the Conservation Commission will be held on Monday, April 26th at 7:30pm, downstairs at the Dunstable Town Hall.

Respectfully submitted,

Cheryl A. Mann
Secretary
