Conservation Commission Minutes
Monday, June 9, 2014

Approved: June 23, 2014

Meeting was called to order at 7:30pm by Chair Leah Basbanes
Members present: Marilyn Pike, Bill Moeller, Alan Chaney, Jeff Haight and Judy Larter
Member absent: Juan Amodei
Meeting held: At the Dunstable Town Hall– 511 Main Street-lower level– Grange Room

Request for Determination – 10 Lake Circle – Scott & Kellie McClory

Leah opened the Public Meeting at 7:31pm. Jack Visniewski from Cornerstone Land Consultants was in attendance along with Scott and Kellie McClory. No one from the public attended. Mr. Visniewski told members that the McClory's propose to demolish an existing home and build a new house over the existing footprint. The new home will not be any closer to the lake. An existing concrete pad will be removed and the area seeded. Although the work is outside the 100' buffer, there may be machinery and landscaping within the 100'. Judy made a motion to issue a negative 3 determination. Alan 2nd the motion. – Motion passed unanimously. Plan: Resource Area Plan-RDA Submission – Lot 19A Lake Circle, Dunstable, MA Prepared by Cornerstone Land Consultants, Inc. – dated March 17, 2014 – Job #2013-164 – Drawing #9378

Meeting Minutes – May 19, 2014

Marilyn made a motion to approve, as submitted, the meeting minutes of the May 19th meeting. Alan 2nd the motion. – Motion passed unanimously.

Review and/or Sign Bills/Payroll

The invoice for stamps and a payroll slip were signed.

545 Forest Street – Habeshian - Driveway

An anonymous call about a possible wetland violation prompted the Commission to request the Habeshian's attendance at their May 19th meeting. The Habeshian's had explained that they were interested in relocating their driveway and had brought fill in not realizing they may have violated a bylaw. Mr. Habeshian provided pictures of the area for members to review. A site visit was then scheduled for May 20, 2014 where members noticed that the fill that had been dumped was not "clean" (contained demolition material). Bill Moeller (also member of the Board of Health) said that he immediately notified Bridgette the representative from the Nashoba Board of Health who then called the Department of Environmental Protection (DEP). Bill said that DEP

will oversee the safe removal and disposal of the materials. The Commission asked the Secretary to send a letter to the homeowner explaining to them that if they are interested in pursuing the driveway relocation project, they will need to follow the instructions set by DEP on the safe removal of existing materials and then hire a wetland consultant to flag the area and submit a plan to Conservation on where they want to place the new driveway.

Certificate of Compliance (COC) - 253 Hall Street – Bettencourt

The Bettencourt's came into the office inquiring if they needed to file a new Notice of Intent for work they never started but wanted to complete now. The Secretary had told them they did and to request a COC for the work that never commenced. Leah reminded the Secretary about the Act of 2010 which automatically extended active permits for two years. Permits were then extended again in 2012. The Bettencourt's permit falls into the timeframe extended by the Act. The Secretary will send a letter to the Bettencourt's that they have a year extension to commence work.

Flat Rock Hill – Gravel for Road

Judy mentioned that she was going to have Bennett Black dump a load of gravel on the road at Flat Rock Hill. She requested \$200 out of the budget for this purchase which was granted.

"Caution Wildlife Crossing" Signs

Alan asked that the Commission spend some money on wildlife signs. There is approximately \$100 remaining in fiscal year 2014's budget. The Secretary will look at all options including "Voss" who we ordered from previously.

Removal of Trees from Behind the Dunstable Animal Clinic

Members discussed the request from the Dunstable Animal Clinic to remove trees that according to the owner's wife are leaning towards their building. Alan went out to the site and agreed that there is one partially rotted Sugar Maple that is actually leaning toward the field but he will look into removing. The remaining sugar maples are currently healthy and not a threat to the Animal Clinic building.

65 Woods Court – Garage

Alan told members that the garage at 65 Woods Court will be demolished after July 1st.

Tennessee Gas Pipeline Update

The Secretary reported that the Board of Selectmen have set up a public meeting regarding the Tennessee Gas Pipeline on June 26th, 7pm at the Dunstable Town Hall.

Additional Topics Discussed Not Noted on the Agenda

July 28th Meeting

The Secretary and Chair will be out on Monday, July 28th. The Commission decided to cancel the meeting scheduled for that night.

Miller Property on Main Street

Alan told members that the Miller property on Main Street is for sale and asked the Commission for permission to discuss with the Miller's if they would be interested in selling an easement on the property to the Conservation Commission. This would restrict the development rights to the property. Judy made a motion for Alan to proceed with discussions with the Millers and if interested, apply for self-help funding. Bill 2nd the motion. – Motion passed unanimously.

Motion was made to adjourn at 8:02pm. Motion 2nd. - Motion passed unanimously. The next meeting of the Dunstable Conservation Commission is scheduled for Monday, June 23, 2014, 7:30pm at the Dunstable Town Hall.

Respectfully submitted,

Cheryl A. Mann
Secretary
Dunstable Conservation Commission
